About me

I am looking for a job as **Junior Web Developer** because I enjoy learning programming languages and I am interested in developing web applications which are user-friendly and intuitive. I have just completed a 6-month web development course and hope to find an opportunity which will allow me to develop my skills further.

Over the course of my career as a linguist and social media specialist, I have completed numerous projects for IT clients, including Oracle, Google and Intel. I have experience working in a multinational environment, both independently and as part of teams (including virtual and on-site teams).

Education

MA in English Philology
(specialization: English to Polish Translation) – *University of Silesia (Katowice, Poland), 2006-2011*

Courses

Web Development course – *Kodilla, online, from April to October 2018*

- I have completed an intensive (480 hours) course which covered the development of websites and web applications. I studied independently with the support of a personal mentor.
- The curriculum included both front-end and back-end technologies, such as HTML, CSS, Javascript, React, Node.js, Express.

Technologies

- Javascript, including ES6, React
- CSS, its preprocessors (SASS) and frameworks (Bootstrap)
- HTML
- developer tools: Git, NPM, Webpack
- back-end: Node.js, Express, databases (MongoDB)

Languages

- Polish – native proficiency
- English – full professional proficiency (C2)
- French – professional working proficiency (C1)
- Arabic – limited working proficiency (A2)

Work experience

English to Polish Creative Translator

textura Poland, Warsaw, since April 2018

Translating marketing content from English into Polish – most of the projects involve translating creative website content for e-commerce and IT clients

Content Editor

Landi Multimedia, online, since August 2013

Developing English language learning content published in the Landigo web application

Communications and PR Officer

Habitat for Humanity Poland, Warsaw, since March 2016 until February 2018

managing the habitat.pl website, developing and publishing web and social media content, coordinating the process of redesigning the website

Social media specialist

ICUC Moderation Services Inc., online, since April 2011 until June 2015

managing social media accounts – developing, publishing, moderating and monitoring content on social media sites

Interests

- housing innovations – I analyze them on my *Mieszkać Inaczej (Dwell Differently)* blog and in publications developed for the *think co.* think tank
- swing dancing
- non-fiction literature
- cooperative movements, including consumer and housing cooperatives

I hereby give consent for my personal data included in my application to be processed for the purposes of the recruitment process under the Personal Data Protection Act as of 29 August 1997, consolidated text: Journal of Laws 2016, item 922 as amended.
